

Has Your Address Changed? Does DEC Know?

The Department of Environmental Conservation sends all information about your pesticide applicator certification to you by 3rd Class mail. Third Class mail is not automatically forwarded when you move.

So, if you do not keep DEC informed of any change of address, you will not receive notices of impending renewal and re-certification dates.

Send this form to:
NYS DEC Division of Solid & Hazardous Materials
Bureau of Pesticides Management
Pesticide Reporting & Certification Section
625 Broadway
Albany, NY 12233-7254
Phone (518) 402-8748
